**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competitive broadband internet and telephone service is vital to my home for business and recreational purposes. I previously had AT&T service which was ridiculously inflated in price so that we could not afford the data rates we needed. Please do what you can to keep markets competitive for consumers.
